Thank you very much to the school community for your support in attending all of the interviews that took place this past week. Kindergarten parents received feedback about their child’s academic entry level in to school, our parents of Aboriginal students have developed a collaborative education plan with their child’s teacher and their child and all of our parents have had an opportunity to meet and discuss the education of their child in 2013. It was great to see such a positive response to these processes. Please note that parents of Kindergarten students in K/1 will have an opportunity to discuss their child’s academic entry level on Monday, 11th March.

Over the last few weeks I have published various reminders to parents and families about certain aspects of our school environment. As I was preparing this week’s reminder, I realised that a lot of what I am reminding our school community about actually appears in our school information booklet that new families receive. However, due to updates and changes in school and state-wide policy, this booklet has not been made available to all families. We have now published this document on our website for everyone to access. It will appear on the Our School page on the left hand side menu. If you would like a paper copy of this booklet, call in to the office to collect one. Our School website also contains some interesting information about Homework. In the Latest News and Features, click on the more news link and scroll down to find the Stay on Top of Homework article. Interesting reading!

This week’s reminder is about approaching the school for communication purposes. The following guidelines in the table below should assist you to approach the school in the most appropriate way:

**General Information**

**P&C**
Our School P&C Annual General Meeting will be held in the school hall on Tuesday, 12th March from 1:40pm. A regular P&C meeting will be held after the AGM. We would encourage you to attend to have a say in your school community. We have a working bee in the planning stages for early Term 2 to establish a bush tucker garden and a few other environmental plans and we would like to discuss this at the P&C Meeting.

**Easter Hat Parade**
Our annual Easter Hat Parade will be held on Thursday 28th March at 10am in the school hall. Students are asked to design and decorate their Easter hat at home and bring to school on the day of the parade. Traditionally, students in Kindergarten to Year 2 have decorated Easter hats for the parade. Students in Years 3-6 may choose to decorate an Easter hat, poster or mask for the parade. Students sit with their class during the festivities and parade in class groups. Pre-schoolers and toddlers will also have an opportunity to parade, so younger siblings and friends coming to the parade may also like to make an Easter hat at home. Our junior and senior choirs will perform during the parade, and the P&C Easter raffle will be drawn. Parents, family and friends are invited to join us for this wonderful event.

**PBL Meeting Date**
The school PBL meeting date, 13/3, that was published in last week’s newsletter has been postponed, due to a clash with other events. A new date is yet to be scheduled, however we will still need to name a parent representative or two for this team. This will be discussed at the next P&C meeting.

**Ear Health**
Students in Kindergarten and K/1 will participate in a series of lessons about Ear Health from the Support Teacher-Hearing, Mr David Hamilton on Wednesday morning.

**Songroom**
Songroom continues on Wednesday. If your children have shared any stories or feedback with you, please pass them on to your child’s teacher or the Principal.

**Spins**
Our Speech Pathology program will continue on Thursday, operating out of the library.

**Cross Country**
The Cross Country will be held on Monday 18th March during normal school sport time at Jacob’s Park.

**School Photos**
School Photo Day is on Friday, 15th March. Please ensure all envelopes come back before day of the Photo shoot. Summer uniform is to be worn.
