Principal’s Report

Staff Development Day

End of Semester Meetings
I would just like to inform you that, on the front of your child’s report, it stipulates that the school has End of Semester meetings with families. This is not a formal process that we follow, given that there are only two days left in the term, but you are welcome to make an appointment to meet with your classroom teacher at any time next term to discuss your child’s report. The school feels that the Meet the Teacher Evening in Term 1 is the best way to begin the process for teacher and parent to get to know more about our wonderful students.
